I hereby declare and agree, on behalf of myself and my co-authors (if any), that:

1. The manuscript in its present form has neither been published in any other Peer-reviewed Journal nor is under consideration for Publication by any other Journal either as a whole or in part, and that it will not be submitted to any other journal, if it is accepted for publication in your esteemed journal.
2. The Author hereby grants and assigns to Texila International Journal all rights in and to Author's work in and contributions to the Work. In connection with this assignment, the Author acknowledges that Texila International Journal will have the right to print, publish, and create derivative works throughout the world.
3. The work described in the manuscript is my/our own and my/our individual contribution to this work is significant enough to qualify authorship.
4. I (Author/Researcher of this article) confirm that all figures, images, graphs, tables, and visual content used in this manuscript are either original or used with proper permission. I have cited the sources clearly and, where applicable, obtained copyright/licensing permission for reuse.
5. I (Author/Researcher of this article) accept full responsibility for any third-party copyright claims arising from the images or materials submitted with this manuscript, and if post-publication claims occurred.
6. The article, the final version of which I enclose, is not substantially the same as any that I/we have already published elsewhere.
7. I/We certify that I/We have no financial interest in the subject matter of the Work or any affiliation with an organization or entity with a financial interest in the subject matter of the Work, other than as previously disclosed to the Association.
8. No responsibility is undertaken by Texila International Journal, its staff or members of the editorial board for any dispute, pointed out by anyone in the future.
9. If any dispute arises, final decision will be taken by Texila International Journal.
10. TIJ has the only right and permission to edit, translate, reproduce, and publish the manuscript anywhere in the world using any method or format in all media.
